

## Laura Benitez

Director of Accounting

Laura Benitez serves as the Director of Accounting at KPG Commercial, bringing over 20 years of experience in accounting and finance across diverse industries, including oil and gas, manufacturing, restaurant, professional services, and commercial real estate. She has extensive expertise in financial planning and analysis, capital asset management, audit preparation, and multi-entity consolidations.

In her role at KPG, Laura oversees all aspects of accounting, and financial reporting and compliance for the company's corporate, development, and property-level entities. She has been with the firm since 2024.

Laura earned her Bachelor of Business Administration in International Business from St. Edward's University, graduating *Magna Cum Laude*, and is currently completing her Master of Accountancy at Texas A&M University–Corpus Christi.
